MONTAVOCI TARGETS TOP FIVE

Saturday, 25 April, DOHA (Qatar): Foresti & Suardi - Roscioli Hotels' throttleman, Giampaolo Montavoci is looking for continued reliability from his raceboat. "The important thing is to finish all the races and get the maximum points possible," he said following today's morning practice session. Having finished sixth in the championship last season, Montavoci is looking to the boats in front. "I want to finish in the first five positions," he added. Starting from seventh on the grid, following the pre race retirement of Maritimo 12, he is within sight of that coveted fifth place position.
